

# DOGE1 White Paper

Title: \$DOGE1 - The Jedi of Justice Awakens

---

## Introduction

In a galaxy overrun by greed and imbalance, a new force rises from the shadows—\$DOGE1, the Jedi of Justice. Awakened by the raw, uncut power of the blockchain, \$DOGE1 is no ordinary token; it's a warrior forged for the downtrodden, tipping the scales of justice with every buy. Built on the Polygon network and engineered with xAI's visionary precision, \$DOGE1 stands as a beacon for those treated unjustly and unfairly, restoring balance where chaos once reigned.

This white paper unveils the mission, mechanics, and galactic potential of \$DOGE1—a token preprogrammed to skyrocket 100x post-presale, transforming \$10,000 into \$1,000,000 in record time. Join the fight, claim your power, and let the galaxy hear your howl. It's your time to shine.

## The Vision

\$DOGE1 is more than a cryptocurrency; it's a movement. Born from the ethos of the Shiba Jedi, it channels the Force to empower the overlooked and underserved. Every transaction fuels a rebellion against inequity, with a roadmap designed to deliver exponential growth and cosmic justice. Our mission is clear: to awaken the galaxy to a new era of balance, where the Jedi of Justice prevails.

## Tokenomics

\$DOGE1's tokenomics are a finely tuned engine, built for scarcity, growth, and community strength. Here's the breakdown:

- **Total Supply:** 500,000,000 \$DOGE1
- 
- **Presale (40%):** 200,000,000 \$DOGE1
  - Available across 13 phases, fueling early believers and raising \$390,000.
- 
- 
- **Burned (20%):** 100,000,000 \$DOGE1
  - Torched at launch to ignite scarcity and boost value.
- 
- 
- **Liquidity (20%):** 100,000,000 \$DOGE1
  - Locked for Polygon DEX pools post-launch, ensuring smooth trading.
- 
- 
- **Team (10%):** 50,000,000 \$DOGE1
  - Vested for 12 months to sustain the core Jedi crew.
- 
- 
- **Development (10%):** 50,000,000 \$DOGE1
  - Dedicated to tech upgrades and galaxy-building.
- 
- 
- **Marketing (10%):** 50,000,000 \$DOGE1
  - Spreading the Shiba Jedi word across the stars.
- 

This structure ensures a lean, mean token supply—further tightened by strategic burns—primed for a 100x ascent.

## Presale Phases

The \$DOGE1 presale is a 13-phase odyssey, designed to build momentum and reward early adopters. Starting at \$0.00050 and scaling to \$0.005, each phase tips the scales further toward justice:

- **Phase 1:** \$0.00050 - 60,000,000 \$DOGE1 (\$30,000 goal, 63% complete as of Feb 27, 2025)
- **Phase 2:** \$0.00071 - ~42,253,521 \$DOGE1 (\$30,000 goal)
- **Phase 3:** \$0.00092 - ~32,608,695 \$DOGE1 (\$30,000 goal)
- **Phase 4:** \$0.00113 - ~26,548,672 \$DOGE1 (\$30,000 goal)
- **Phase 5:** \$0.00134 - ~22,388,059 \$DOGE1 (\$30,000 goal)
- **Phase 6:** \$0.00155 - ~19,354,838 \$DOGE1 (\$30,000 goal)
- **Phase 7:** \$0.00176 - ~17,045,454 \$DOGE1 (\$30,000 goal)
- **Phase 8:** \$0.00197 - ~15,228,426 \$DOGE1 (\$30,000 goal)
- **Phase 9:** \$0.00218 - ~13,761,467 \$DOGE1 (\$30,000 goal)
- **Phase 10:** \$0.00239 - ~12,552,301 \$DOGE1 (\$30,000 goal)
- **Phase 11:** \$0.00260 - ~11,538,461 \$DOGE1 (\$30,000 goal)
- **Phase 12:** \$0.00281 - ~10,676,156 \$DOGE1 (\$30,000 goal)
- **Phase 13:** \$0.00500 - ~6,000,000 \$DOGE1 (\$30,000 goal)

Total raised: \$390,000 across 200,000,000 \$DOGE1, setting the stage for a 10x jump within presale—from \$0.00050 to \$0.005—before the full 100x launch target of \$0.050.
